## Resource Staff Orientation

This half-day gathering is designed for adult volunteers interested in serving as Resource Staff members at one or more of the youth camps at Ascension School this summer. Open to both new and returning volunteers, this short session will provide an introduction to the summer's curriculum and some pre-camp planning time to get to know one another and exchange ideas for possible activities. Participants are welcome to come for just the afternoon or stay and take part in Ascension School's annual spring work weekend. Please note that participation in this orientation is not required in order to serve on Resource Staff; interested volunteers who can not attend will receive pre-camp orientation material in the mail.

Young Adult Camp is a new camp at Ascension School. We know that all of you that have graduated high school still need a place to reconnect and be with friends. We provide a relaxed structure to explore and find answers to some of your deeper questions. It is also a great time to bring new friends to share the wonderful gift of Ascension School.

## Family Camp– A Lion on the Move

It is family time. Bring your family to camp to share the fun and excitement of games, crafts, campfire and quiet times on the porch. Bishop Nedi Rivera will be our featured leader for Family Camp this year. If you haven't visited Ascension School this is your chance to come and meet other families in the Diocese.
