

# Additional Camp Information

## Scholarships

We believe that every child should have the opportunity to attend our camp, which is why we offer scholarships to those who need them. Traditionally scholarships are offered through your local Episcopal congregation. However, if you are not affiliated with any congregation please call us at Ascension School and we will assist you with your scholarship needs.

**Caring and Sharing**-Ascension School has a special scholarship program for children who have one or more parent that is an active member of our country's military, as well as for children of incarcerated parents. Please call us for more information.

**Bring a Friend Discount**-If you bring a friend to camp you are both eligible for a 10% discount off of your registration cost. This only applies to friend's who have never attended camp at Ascension School before. Camper's must attend the same camp. Please make a note on your registration form if you decide to take advantage of this great discount!
